Regarding the CIP

Dear Nancy:

I understand that you are filing the application on Monday and that you will also provide me with a copy of the application on Monday. Please also provide me with copies of the following documents for my review with the application:

- (1) the priority documents;
- (2) the filing receipts on these documents (except for my application);
- (3) prosecution history (office actions, your responses, etc.)

I have asked Paul Pedigo to review the CIP before I sign off. It would help us in our evaluation if you could send copies of the application and the above materials to Paul.

Best,

Milton
